Product Name Tape Hair/Skin Weft
Hair Quality 100% Remy Cuticle Hair (Chinese, Brazilian, Indian, European Hair)
Hair Features Skin weft hair extension is seamless without bumps when it is completed. No adhesive is used. No clips or chemicals, it is fast and easy and profitable way of applying extension. The process: Use double side glue tape or glue bonding. Easy to apply and easy to remove. When remove it, a non-toxic adhesive remover is used, because skin weft is a more gentle method than other methods, there is minimal hair shedding. In addition, skin weft hair extensions help to protect people's hair from curling irons, blow dryers, styling heat and environmental damage. Skin weft extensions lie flat to the head and feel just like your natural hair. Our skin weft will last up than 8 weeks, and this hair of skin weft is reusable, it can save your cost.
