How to wear

1. The closure is always used with the hair weft/weave together. At first, Eye mark the area where you wish to place the closure. Divide your hair vertically to create a natural part line and proceed to neatly cornrow your hair to your comfort. For a blended part, leave out a portion of your own hair in which you will place over the part on the final step.

2. Weave up to the pre-determined invisible part area the hair weft/hair weave.

3. Place the closure over center, making sure to align the Invisible Part's weaving wedge over the vertical hair part line. Sew-In/Glue tightly along the weaving wedge and then around the lace surrounding the pad to complete the look. Lastly, cut off the excess lace.

4. To finish, now, with a fabulous hair Part, style your hair to your desire. Part blended with your own hair.
